The [production house](#) has not compromised on any issues and wants to make a mark in the international market. The highlights of this film are far too many with music being the first amongst them. The audio of this film comprises of 6 songs and 4 bit songs and is getting released in the 1st week of July. One of the songs is sung by Daler Mahendi and one of them by the Hero NTR and the Heroine Mamatha Mohandas.

A team of 80 professionals spread over three outsourcing houses spearheaded by EFX are working on the graphics and the production house is confident of coming out with the most impressive visuals. Some of the work was handled by Mr. Adel Eddelli a professional from Iran who has contributed heavily in the [Hollywood films](#) too

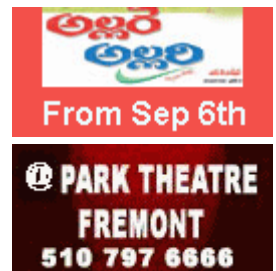

Another highlight of the film is that it is hattrick combination of Director S.S. Rajamouli and NTR whose two earlier films Student No.1 and Simhadri were big block busters in Tollywood. Also the film by far has a large star cast in the form of the biggest names in Tollywood. Padmashri Dr.M. Mohan Babu is playing an equally important role as the hero and is bound to create waves with his performance as lord Yama. Apart from this, the film has seven heroines namely Khusboo, Priyamani, Mamatha Mohandas, Rambha, Preethi Jhingania, Navneet Kaur, Archana. Probably this is the only film in Telugu were the hero shakes a leg with all the above heroines except Khusboo, which is bound to variety and spice to this film. The other important stars are Dr. Brahmanandam, Ali, M.S. Narayana, Raghubabu, Jayprakash, Rajiv Kanakala etc. The role of the villain is donned by Narendra Jha who played the role of Bajji Rao in the film Chatrapathi.

The excellent art work by popular [art director](#) Mr. Anand Sai is well complimented by the cinematographer Mr. K.K. Senthil Kumar who has been given a free hand by the production house and the Director to light up the sets
